Why We're Here...

Cross of Glory Nursery School seeks to provide a developmentally appropriate, Christian-based nursery school experience for young children in an atmosphere where all are comfortable and where each child's unique abilities are met. Our school offers an active learning environment, helping each child develop emotionally, intellectually, socially, physically, and spiritually.

What We Do..

We help children to learn by encouraging them to experience their environment. Children learn through play by actively participating in activities with other children. Our experienced teachers design the classroom to help children interact with their environment and each other.

How They Grow...

Our Curriculum is designed to help each child develop by participating in activities which include:

- dramatic play
- creative art experiences
- block building
- music
- movement and physical play
- group games and discussions
- environmental exploration
- book sharing and listening to stories
- outdoor recreation
- manipulative toys
- drawing and printing
- cooking

Throughout the year, special events will be planned to expand the curriculum to teach the children about the world around them:

- visits from community helpers
- holiday celebrations
- chapel time

Extended Day

2 Days—\$2560

3 Days—\$3600

4 Days—\$4400

5 Days—\$5250

(Annual tuition is divided into 10 equal payments)

We Welcome You and Your Child...

We welcome children who are 2½ through 4 years old by October 1st of the school year.

Separate classes are offered for each age group so developmentally appropriate activities can be planned.

We recognize that parents are a child's primary teacher and welcome your participation in the classroom as volunteers and observers. While parent participation is not mandatory, we encourage you to come in occasionally to share what we do and see your child at play. Formal parent-teacher conferences will be scheduled at convenient times annually. Informal conferences can be requested at any time during the year by parents or teachers.

Our Calendar

Our school operates 10 months per year, generally following the Matawan-Aberdeen School District calendar. Parents will be given a full calendar at the beginning of the school year.

Our Goals

Our program's goals are to ensure that each child has the opportunity to engage in activities that will:

- enhance their understanding of God's love
- further their cognitive and creative abilities
- help them gain self-confidence
- develop large and small muscle coordination
- encourage them to get along with others
